

# Highlights

## MRC Council meeting of September 18, 2024

### Administration

#### Land Management

Each MRC is required to revise its Land Use and Development Plan in line with the government's land use planning guidelines. To facilitate this work, the Quebec government is allocating a sum of \$207,918 over 3 years to the MRCs to help them comply with these guidelines.

#### Fire Safety Plan

In July, the MRC adopted a resolution launching the development of a Fire Safety Coverage Plan. To this end, we appointed Marie-France Brisson as coordinator.

#### Tourism Promotion

The council of the MRC has decided to join Tourisme Côte-Nord in the 2025-2027 Marketing Campaign to promote our territory with video capsules. Our financial participation amounts to \$20,000 out of a total cost of \$1.4 M.

### Economic Development

Each month, the MRC Council receives applications for financial assistance from local promoters. This month, twelve (12) projects were submitted and accepted under the following funds:

- Quebec Social Initiatives Fund (FQIS);
- Rural Development Fund (FDR);
- Structural Projects Fund (FSPS);
- Concertation Fund, Trade and Business (FCCE)

For a total grant amount of \$301,933.52.
