

Highlights

Council Meeting

March 2025

Administration

Public Safety Committee

Fighting illegal drugs, providing the appropriate means to respond to emergencies on the territory, and maintaining visibility, education and awareness among the population will be the priorities for the coming year of the public safety committee formed by the mayors and the MRC station sergeant for the Sûreté du Québec.

Universal Suffrage

The Council of Mayors of the MRC du Golfe-du-Saint-Laurent is evaluating the possibility of adopting a by-law allowing the election of the warden by universal suffrage. The warden is currently elected by and among the mayors of the MRC's municipalities. The decision will be taken at a later date by the MRC's elected representatives.

April Meeting

The date of the regular MRC Council meeting scheduled for April 16, 2025 will be changed. The meeting will be held on April 23, 2025. Citizens may attend the meeting as usual at municipal offices.

National Water Plan

The MRC has applied to the ministère de l'Environnement, de la Lutte contre les changements climatiques, de la Faune et des Parcs for financial assistance...

Administration (cont.)

...under the National Water Plan to implement the MRC's Regional Wetlands and Water Management Plan in order to comply with current regulations. The application was accepted.

Economic Development

Changes have been made to the **Vitalization Program - FRR4**, as the projects will now be accepted on a continuous basis.

For the **Signature Innovation Program - FRR3**, the next call for projects will be on April 30.

Promoters guides and application forms are available on our website.
